OXENFORD STUDIOS

LOCATED AT: Entertainment Road,
Oxenford QLD 4210

SPORTS: Boxing, Squash, Table Tennis

Boxing

Two combatants stand toe-to-toe, determination in their eyes and fire in their hearts. Lose concentration, even for a moment, and it's all over. Part of the inaugural British Empire Games in 1930, Boxing is one of the Games' longest-standing sports and it will put athletes' speed, skill and stamina to the test.

Squash

The world's best athletes will show their superhuman speed, agility and reflexes as athletes strive to out-manoeuvre their opponent. Set within four glass walls, Squash is intimate and intense. Medal events include singles and doubles.

Table Tennis LONGINES PRESENTING PARTNER TABLE TENNIS

Skilled athletes can slam a table tennis ball across the net at speeds in excess of 110km/h. Demanding speed, skill and focus, GC2018 Table Tennis will be contested across nine medal events including singles, doubles, team and para-sport.

 FIND OUT MORE ABOUT **BOXING**, **SQUASH** AND **TABLE TENNIS**.

#SHARETHEDREAM

DID YOU KNOW?

Sound Stage 9 is the largest in the Southern Hemisphere. It was enabled by Village Roadshow and the Queensland Government entering into a partnership that simultaneously delivered a Games venue and provided a major drawcard for film productions. GC2018 will be an inclusive celebration of our diverse Commonwealth, with benefits lasting beyond the Closing Ceremony. Be inspired to Share the Dream for a sustainable GC2018 by reducing your impact, choosing reusable options and recycling.
